A message from Mrs Wathen & Mr Spink.....

What another quick week! It feels so much quicker than normal as we close today for the weekend. Tomorrow is a training day for all our staff. This means that y our children are back to school on Monday 14th February—as usual.

At last, we have had a full week with everyone in school and it has felt great to be almost back to normal. We have had a Science week this week and lots of exciting science has taken place across school. There are some lovely pictures on our social media if you would like to see what we have been finding out.

Next week, we find ourselves in the final week of this half term. It will be a busy one we're sure so make sure that you are well-rested this weekend for the last push towards the half term holiday. Have a super (slightly longer) weekend. See you on Monday!

Parking on Rigton Drive

Please try to avoid parking between the chicanes on Rigton Drive as this often leads to a build up of traffic which can make access (especially for emergency vehicles and those trying to cross the road safely) very difficult.

Weather News

As we are in Winter, please be sure to send your child to school with a coat and suitable footwear. As well as playtimes, we take lots of opportunities to take part in outdoor learning so your child will need to be able to wrap-up warm to be outside.

Nursery Places

We still have places available in our Nursery. Give us a call on 0113 2482750 to apply for one of the places for September 2022.
