## A message from Mrs Wathen & Mr Spink.....

And just like that... we are at the weekend again! This week we want to use this space to talk about the biggest event of the week—the Year 6 SATs. Our Year 6 children have made us feel so very proud. They arrived on time every day, ready to face their assessments. They may well have been feeling nervous, but you would not have known. They stayed calm and focused throughout the week and when it came to test time, they did their very best to demonstrate how fantastic they are and how much they have learnt. As they had tried so hard, we felt it only right to reward them with a delicious KFC. *We have never seen as much KFC all in one place.* It was a fun afternoon. Today, for those who ordered them, they bring home their hoodies too. A lovely way to start the final 8 weeks of primary school—lots of exciting activities coming up!

To you all, have a lovely weekend and enjoy the sunshine when it comes out!

Dear Parents and Carers,

Leeds Joint Agency Protocol for Domestic Violence and Abuse: School and Higher Education Notifications (DVA Notifications Process) has been established to support children who are resident in households where there are incidents of domestic violence and abuse. We know that children can be significantly physically or emotionally hurt by being either present in the house or directly witnessing an incident of domestic violence.

The DVA Notification Process has been designed to provide confidential notification to schools and higher education establishments on any incidents of domestic violence and abuse which occur within a child's household that might have an impact on a child whilst they are in school / higher education.

The process will ensure that a member of staff is trained to allow them to use the information that has been shared, in confidence, and ensure that the school / higher education establishment is able to make provision for possible difficulties experienced by children, or their families, who have been involved in or witnessed a domestic violence or abuse incident.

We are keen to offer the best support possible to our pupils and their families and we believe this is going to be extremely beneficial for all those involved.

If you would like further support or information about domestic violence and abuse please go to [www.leedsdomesticviolenceandabuse.co.uk](http://www.leedsdomesticviolenceandabuse.co.uk)

Yours sincerely,

Ms Sherree Dooley
