WEEKLY NEWS

GOOGLE CLASSROOM

We are trying as hard as we can to ensure that, if your child has to temporarily miss school, then they can still continue to learn. It is best to be prepared so please make sure your child can access the Google Classroom at home, as soon as possible.

STUDENT COUNCIL

Elections have now taken place for our new members of the student council. The first (virtual) meeting will take place next week. The student council is there to give your children a way to voice their opinions about how to develop school.

HISTORY CURRICULUM

The children have started to really enjoy our new History curriculum. We have embedded drama and immersive learning to engage them. They have made such a great start with their participation and we have even had some cheers when it's time for History.

PARENT GOVERNOR

Thank you to everyone that has shown an interest so far in the role of Parent Governor. If you think you may be interested in the role and you have not yet shown an interest please email admin@eborgardensacademy.co.uk by the end of today.
