A message from Mrs Wathen & Mr Spink.....

Happy New Year! It has been lovely to have everybody back this week and to hear lots of stories of lovely times over the last two weeks.

As more information arises, we will continue to monitor the national picture—with regard to COVID-19. We would appreciate your help in keeping us as safe as possible in school by not sending your children in if they are showing any symptoms of COVID-19. Please also let us know as soon as you can. We will help you by communicating any information or changes as swiftly as we can. Our updated COVID-19 Risk Assessment is now live on our website.

As the weather is now getting much colder and we have to keep our classrooms well-ventilated, please feel free to send your child with an additional jumper or hoodie to help them keep warm.

Have a good weekend.

Parking on Rigton Drive

Please try to avoid parking between the chicanes on Rigton Drive as this often leads to a build up of traffic which can make access (especially for emergency vehicles and those trying to cross the road safely) very difficult.

Weather News

As we are in Winter, please be sure to send your child to school with a coat and suitable footwear. As well as playtimes, we take lots of opportunities to take part in outdoor learning so your child will need to be able to wrap-up warm to be outside.

Nursery Places

We still have places available in our Nursery. Give us a call on 0113 2482750 to apply for one of the places for September 2021.
