

A message from Mrs Wathen & Mr Spink.....

Another week has flown by in the blink of an eye! We started our week with a whole school assembly thinking about Black History Month. The children listened very carefully and were looking forward to the range of different activities that Miss Iredale

has planned for each class over the coming month. You will have noticed that (at last!) our new climbing equipment is open and good to go. We spoke to the children this week about playing/climbing safely on the equipment. The children now know not to jump off the climbing equipment and to make their way across it. Please remember that before and after school, if your children are climbing on the equipment, parents will need to supervise their children as school staff are supervising children returning to their parents. Thank you in advance for your understanding. Have a lovely weekend. See you all on Monday for another busy, exciting week at Ebor Gardens.

Attendance news.....

Whole school attendance is **94.6%** this week.

Remember we are aiming for **96%** or above.

The biscuit bears went to **1HM and 5GA** for the best attendance this week.
