# WEEKLY NEWS

## A message from Mrs Wathen & Mr Spink.....

Happy Friday and a happy weekend. Another week has zoomed past us faster than lightning and now we are **halfway through the half term**—can you believe it? This week we have been enjoying visiting every class in school to see how your lovely children have settled in to their new routines and classrooms. It has been an absolute joy and delight to be able to see the wonderful things that are going on in all our classrooms. The children are engaged and enjoying their learning—be it phonics, maths or writing :-)

Next week Year 3 will be heading to Leeds Museum to do some more investigating for their topic “The Egyptians”. We are sure they are super excited and will thoroughly enjoy what is a fantastic museum that we are lucky to have on the door step in our city.

You will also be receiving a letter about our popular “**Autumn discos**” next week, so keep an eye out for that.

Have a super weekend and we look forward to seeing you back in school on Monday—**let’s keep up this superb attendance across school.**

 **Whole school attendance is 97% this week. Well done everyone!**

**Remember we are aiming for 96% or above.**

**The biscuit bears are going to RecBT, 2NI, 4FA & 6NP**

**RecBT, 1AD, 1RK, 2NI, 2HW, 3NB, 4FA, 4RM, 5GA/LW & 5HW have an extra playtime for 97% or above.**

## PE Kit this term

This year we are really excited to be working with Junior Jam for some of our specialist sessions (PE, Music, Spanish, Computing) in school. On these days the children's mornings will be action packed and therefore they will need to **come to school wearing PE kit** to save time.

On other PE days, the children should **come to school dressed in school uniform** and bring their PE kit in a bag to change into.

**Children in Years 1&2 should come to school in PE kit only on a Tuesday.**

**Children in Years 5&6 should come to school in PE kit only on a Wednesday.**

**Children in Years 3&4 should come to school in PE kit only on a Thursday.**

**All this information is included on the phase newsletters which can be found on the website.**
