# WEEKLY NEWS

## *A message from Mrs Wathen & Mr Spink.....*

Good afternoon to you all.

This week has been assessment week in school for Years R-5. The teachers have been working closely with your children to take a snapshot of how their learning is progressing throughout this academic year. We are super impressed with how hard everyone has worked and it is important to note that these assessments are purely for the teachers use to ensure that learning is planned appropriately for the rest of the year.

This week in school we have been gearing-up for Red Nose Day, which has been taking place today. In the run-up to RND, the children have been taking part in some Circus Workshops. If you take a trip to our social media pages (listed below) you will find photographs of our special Red Nose Day assembly and the workshops themselves. A massive thank you to all our families for the fundraising that has gone on. Some prizes have been given to those who raised the most money and certificates have been presented too. A big thank you to Miss Iredale who has co-ordinated this and to Ms Aynsley, who's partner and his circus colleague, who provided the workshops in school. Year 1 enjoyed a trip to Abbey House Museum this week. They were finding out about old and new toys and they had a wonderful time. 3JH and 4FA also visited Temple Newsam and had a wonderful time looking around the house and it's grounds. Have a wonderful weekend everyone—see you on Monday.

**Whole school attendance is 95% this week.**

**Remember we are aiming for 96% or above.**

*The biscuit bears are going to 2NI & 3JH*

*2HW, 2NI, 3JH & 6LB have an extra playtime for 97% or above.*

# Friday 15th March, 2024 - Issue 24

## Birthday Cakes in School—Natasha’s Law

**We can not allow birthday cakes in school.**

**Due to Natasha’s Law (October 2021), we must be aware of all ingredients and allergens in any food given to our children in school. We also have children and staff in school with nut allergies. If you wish to send treats in for your child’s birthday, they must be in sealed packages (perhaps sweets) with all ingredients listed on the packaging. The children can then take them home so parents can check. Please check with your child’s class teacher or the admin team if you are not sure.**

## Parking Around School

**Please be sure to park very safely and sensibly around school at Breakfast Club, morning drop-off and afternoon pick-up.**

**On a few occasions this week, the main gate has been blocked by parents/carers cars.**

**Parents/carers and visitors must not park in front of the main gate so that cars (including emergency service vehicles) can get in and out at all times.**

**Thank you for your consideration.**
