

What are we learning this half term?

In Y3 and 4 this half term, we will be looking at a variety of different subjects. In Maths, we will be working on our measuring, if you can help your child to learn how to tell the time, that would be great. We will be writing Short Narratives so our focus in writing lessons will be description. The Iron Man by Ted Hughes is our Novel this term. In Science, we will be learning about physics in our unit of learning about light and shadow. We are still studying the Anglo Saxons, Scots & Vikings in History. In DT we will develop our cooking skills by making a toasted sandwich and in computing, we will be learning about data handling. In music, Y3 will look at more musical styles and Y4 will look at feelings through music. In RE, we will be discussing the question, "How are the stories of Holy Week important to Christians?" and in PSHCE, we are learning about keeping healthy.

We hope you enjoy hearing about all this learning from your children as the term goes on. We will certainly enjoy teaching it.
