WEEKLY NEWS

Friday 21st March 2025 - Issue 25

A Message from Mrs Wathen and Mr Spink

Good afternoon everyone.

Today has been Red Nose Day in school. It has been lovely to see how many of our children have turned-up dressed in red to support such an important charity. We have also enjoyed listening to the many jokes they have prepared. There has been lots of laughter around the building today.

Next week Year 6 will be trying their final practise assessments before their real SATs tests in May. Please ensure your children are rested and have a good amount of sleep so that their wonderful brains can function at their best.

Also next week, the first of our Y7 transition meetings with high schools will take place - how time is flying for our Year 6 children!

Happy weekend everyone!

Please be sure to park very safely and sensibly around school at Breakfast Club, morning drop-off and afternoon pick-up. On some occasions, the main gate has been blocked by parents/carers cars. Parents/carers and visitors must not park in front of the main gate so that cars (including emergency service vehicles) can get in and out at all times.

Picking-up Your Child Early

If you need to pick your child up before the end of the day (for an appointment etc), please let the school office know in the morning so that they can have your children ready for you in the main office.

NATASHA'S LAW

NATASHA'S LAW, WHICH CAME INTO EFFECT ON OCTOBER 1ST, 2021, REQUIRES SCHOOLS TO CLEARLY LABEL ALL PRE-PACKAGED FOOD SOLD/GIVEN OUT ON-SITE WITH A FULL LIST OF INGREDIENTS, EMPHASIZING THE 14 ALLERGENS, TO PROTECT STUDENTS WITH FOOD ALLERGIES.

WHAT DOES IT MEAN FOR SCHOOLS?

SCHOOLS MUST ENSURE THAT ALL PRE-PACKAGED FOOD THEY SELL, SUCH AS SANDWICHES, SALADS, OR CAKES HAVE A FULL LIST OF INGREDIENTS AND THAT ALLERGENS ARE CLEARLY HIGHLIGHTED.

THIS MEANS THAT ANY FOOD GIVEN TO SCHOOL FOR BIRTHDAYS AND CELEBRATIONS MUST HAVE A FULL LIST OF INGREDIENTS (INCLUDING ALLERGENS) SO THAT THEY CAN BE SENT HOME FOR PARENTS TO DECIDE IF THEIR CHILD CAN HAVE THEM.

YOU CAN FIND MORE INFORMATION FROM THE FOOD STANDARDS AGENCY AND [THE NATASHA ALLERGY RESEARCH FOUNDATION](#).

What Parents & Educators Need to Know about STREAMERS

Livestreaming has become a big part of the entertainment people consume, and what began as a series of gamers sharing their screens has grown into a huge industry packed with personalities – and potential risks for your children. With over 2.5 million people watching Twitch, the most popular streaming service, at any one time, it's important to remain aware of the risks associated with streamers.

WHAT ARE THE RISKS?

INAPPROPRIATE CONTENT

Some gaming streamers will stick to family-friendly titles, but others will play more violent games that tend to be more popular. Non-gaming streamers could, in theory, discuss just about anything, and some streamers will often stream in revealing outfits.

NEGATIVE INFLUENCES

While things have improved, streamers are often paid by companies to promote products, and this isn't always stated explicitly. While it's unlikely these goods will be harmful to your child, some streamers and influencers have engaged (knowingly or not) in scams in the past.

FINANCIAL HARM

Streamers will often have donation buttons on their screens for users to submit money. What can start as small amounts can quickly spiral as streamers engage with paying viewers more often, potentially leading to financial issues.

UNREALISTIC EXPECTATIONS

Influencers often showcase how glamorous their lives are, making some users feel as though they are lesser. However, it's important to stress that, in many ways, this is an act, or at the very least, not common. Logan Paul, who has been successful as a streamer and influencer, has a Pokemon card worth \$5 million, but this is atypical of anyone working in the medium.

MISINFORMATION

Streamers are, in many ways, just like us – and they can get things wrong or reel off an opinion without having thought about it. Some can simply say awful things to get a rise out of viewers or to sway them to their side of a hot topic.

ADDICTION AND SCREEN TIME

If your child is watching a lot of a particular streamer, it can be just as damaging to their social life as playing too many video games.

Advice for Parents & Educators

EXPLAIN HOW STREAMING WORKS

For a younger viewer, being a streamer or influencer seems aspirational, but it involves a lot of work and no small degree of good fortune. Streamers are often managed and unable to speak freely due to sponsors, and influencers are just that – influencing young minds, for better or for worse.

CHECK OUT STREAMING PLATFORMS

While Twitch was the de facto streaming service for years, YouTube has gained popularity, too. Then there are Kick and Rumble, which have grown in popularity with moves for big-name streamers – despite many being dogged by controversy.

DO NOT LOG PAYMENT INFORMATION

Streamers can reward donations with additional content, on-camera "shout outs" and more. If you're unsure about who or what your child is watching, consider avoiding linking payment information. This is especially notable with Twitch, which is owned by Amazon and therefore has some crossover.

SET SCREEN TIME LIMITS

You can set screentime limits for mobile apps on iOS and Google, but with other platforms like a PC it may be more difficult to keep tabs. Consider checking in regularly to ensure your children aren't watching content they shouldn't be.
