We hope you enjoy hearing about all this learning from your children as the term goes on. We will certainly enjoy teaching it.

Early Bird Learning

At Ebor Gardens, we want to make every second of learning time count. From 8:30 a.m, we will be starting our Early Bird Learning through games and fun competition. Children will be given time to access TTRockstars or other learning platforms on a Chromebook.

START EARLY

Homework

Homework to consolidate the week's learning will be set on a Friday and should be returned by the following Wednesday. This will include a short writing or grammar activity, a maths activity and a reading comprehension. It will also include spellings which should be learned for the **spelling test** the following Friday.

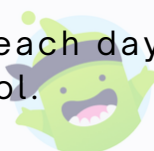

Children will be rewarded with dojos for completed homework.

Reading Record

We encourage the children to read every day. Your child should bring home a banded book from our collection which can be changed once the child has finished it. Please listen to your children read at home and **initial or sign** their reading records **daily**.

Children who show their reading records each day will be rewarded with Dojos in school.
